Dear Friends,

The York County SPCA will hold our 8th Annual Putting Fore Paws Golf Outing at the Out Door Country Club on June 5th, 2023.

I invite you to join us for a fun day on the golf course and hope you will consider supporting our mission through one of the sponsorship opportunities on the enclosed list. The funds you help us raise through this event will equip our team with the supplies needed to ensure animals get their new leash on life and our programs continue to thrive.

Most of the animals that come into our care at the York County SPCA are sick, injured, lost, homeless, unwanted or sorrowfully relinquished. Our job is to heal, protect, love, and quickly place these displaced pets into permanent, caring homes. Thank you for being there for us so that we can continue to be there for the animals that need it the most. Your support makes this possible. Thank you!

I would make one more request. This event is a one-day experience. Yet our work occurs 24 hours a day, 7 days a week, 365 days a year. I ask that you consider supporting us on an ongoing basis. Consider becoming a Constant Companion with a monthly donation and/or volunteer. More info can be found at www.ycspca.org. Thank you for being there for us, and rest assured, we will continue to be there for all of York County pets.

See you on the course!

Steven Martinez
Executive Director
