ANIMAL COUNTS as of July 26

Total Number of Animals: 357

Dogs

Total Canine Count: 84
Available for Adoption: 24
In Foster: 11

Cats

Total Feline Count: 239
Available for Adoption: 68
In Foster: 34

Animals are typically categorized as unavailable for adoption for the following reasons:

- They are new to the shelter and undergoing medical procedures, health evaluations, behavioral evaluations, or need some time to decompress.
- They are undergoing a mandatory hold
- They are a SafePet animal seeking refuge in our shelter
- They are protective custody animal due to the result of an animal cruelty investigation. These dogs are technically not our dogs to adopt out. We are going through the legal system to have the current owner or the court to sign the pet over to us.

VOLUNTEERING ON AUGUST 15

At the shelter we will only have dog walking available from 9am-11am on August 15th. There will be no Cat Cuddling on this day. We are holding a staff picnic, and we would like all staff to be available to enjoy.

Volunteer shifts at Petco and PetSmart are not affected by this.

MISSING UMBRELLA

Has anyone seen a Honda umbrella? We have a volunteer who accidentally left it on the rack in the laundry room a few weeks ago.

If you have seen it, please email Brandi Bisch as bbisch@ycspca.org, so we can return it to the owner.

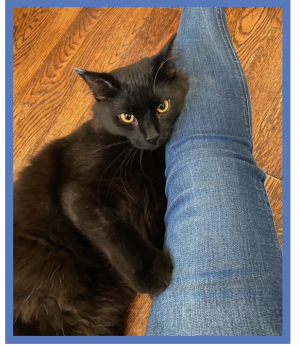

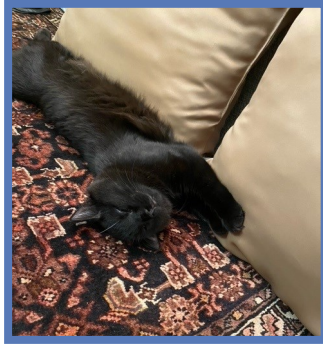

Thanks!

ADOPTION STORY: SYLVESTER

We received an adoption update about Sylvester.

From the adopter:

We did rename him to Cash and he's doing wonderful! He has two dog brother's who love to shower him with kisses

VOLUNTEER SPOTLIGHT: Janet and Barry

Janet and Barry have been volunteering together for 15 years.

They have helped with Small Dog Walking and deliveries.

Lately they have been assisting with our pet food delivery to a senior center, but they will also help with animals transports as needed. They once delivered a van full of cats to another shelter near Philadelphia. They had a lot of meowing in the van for the first several miles.

However, their favorite part about volunteering is when a dog surprises them with a big sloppy kiss. It feels like a big thank you for taking them on their walk!

Believe it or not, they actually started volunteering because of a mistake. Barry left an article for Janet to read, and she read the wrong the one. She read that the YCSPCA needed Volunteers, and she signed them up. She says, it was the best mistake ever!

Outside of volunteering at the shelter, Janet and Barry also enjoy biking. They typically haul their Lhasa-Chon, named Storm, with them for the ride. They also love throwing horseshoes, and they manage a leagues in Hellam.

Keep an eye in your email for When it is your turn to be shown in the Volunteer Spotlight.

MICROCHIP & RABIES CLINIC

We are looking for volunteers to assist with an upcoming Microchip and Rabies Clinic!

These events are largely supported by volunteers through the registration process. We are looking for volunteers who might be interested in helping at our next clinic. We have a tentative date scheduled for Saturday, Oct 2 from 8am-1pm.

If you have helped in the past, we would love to have you help again! If you are interested please let me know, and I can provide you with more details. We will need people who are good on computers, who can bring cats and dogs into the Vet, and who can help welcome the public and provide direction for check-in.

Your support truly makes these programs possible!
