THANK YOU FOR VOLUNTEERING

ADOPTION STORY: RAYMOND

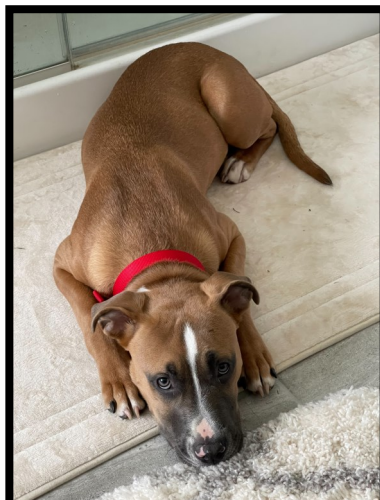

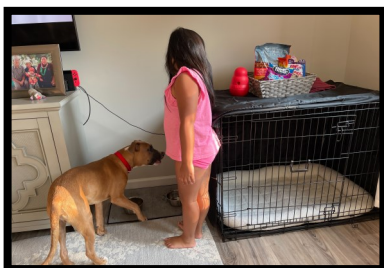

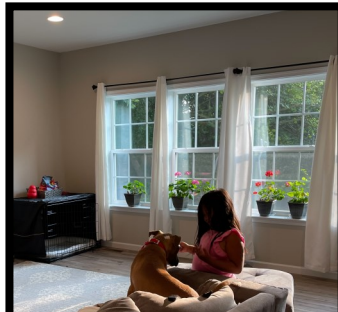

We received an adoption update about Raymond.

From the adopter:

Raymond's Nepali name is Tare. Tare means star. He has a white stripe on his forehead, so my husband gave him Tare as a name.

My kids are very happy. The boys are finally coming out from their room since Raymond came. This is best part. The kids love walking him. We love having him!

Thank you!

MICROCHIP & RABIES CLINIC

We are looking for volunteers to assist with an upcoming Microchip and Rabies Clinic!

These events are largely supported by volunteers through the registration process. We are looking for volunteers who might be interested in helping at our next clinic. We have a tentative date scheduled for Saturday, Oct 2 from 8am-1pm.

If you have helped in the past, we would love to have you help again! If you are interested please let me know, and I can provide you with more details. We will need people who are good on computers, who can bring cats and dogs into the Vet, and who can help welcome the public and provide direction for check-in.

Your support truly makes these programs possible!
