MEET GUNNER!

At just under 2 years old, gorgeous Gunner is a happy, active boy who's searching for an equally active and adventure-loving family. Weighing in at about 82lbs, Gunner is a lot of fun-loving personality in a large package! Super sweet and ready to bring some shenanigans into your life, this loveable lug will surely make a great addition to the right family!

Gunner could use some basics work as he likes to jump when excited; but, we're sure he'll make great progress in no time with some consistent exercise and positive reinforcement training. Gunner has done well around other dogs at the shelter so far and has reportedly done well with other dogs in his previous home. Gunner would prefer a cat-free forever home though. As he continues to work on his basic manners, Gunner would also prefer to live with older, dog savvy teens.

If you're looking for a furry sidekick to join you on adventures, Gunner is definitely the boy for you! For more information on how to add this handsome guy to your life, please go to: www.ycspca.org and click on the Adopt tab.
