Program Information

All cats will go through the York County SPCA Spay/Neuter Clinic's TNR Program. All cats will receive a one-year rabies vaccination and an ear tip for identification. Please note that these cats should be re-vaccinated for rabies after one year. You will be provided with more detailed discharge instructions and a copy of the Rabies certificate when these cat(s) is/are returned to you. If the veterinarian finds any abnormalities on the physical exam (wounds, infections, parasites, etc.), you will be contacted to see if you wish to treat these findings for an additional charge. If you cannot be reached, no additional treatment will be performed.
